Get active in your school community!

Dear Pattison's Families,

We're thrilled to extend a warm invitation to you and your loved ones for our upcoming fundraiser, "Keeping the PACE." This two-hour stationary bike ride-a-thon is not just an event; it's a vibrant celebration of our school community and the incredible progress our students have made throughout the year.

"Keeping the PACE" is our largest fundraising event of the year, and it's a fantastic opportunity for you to get directly involved in making a difference. As a Pattison's patron, you'll help others witness the profound impact their (and your) support has on our students, helping us reimagine what's possible for each and every one of them.

Join us on **Saturday, March 9th, 2024**, at our school in West Ashley, and ride alongside your friends, neighbors, and, most importantly, your children.

Your participation in this event will not only support our school but also empower our participants across all programs to reach new heights. We believe that together, we can make a lasting impact in the lives of every child we serve, and we recognize that their greatest cheerleaders are their families.

Let's come together for "Keeping the PACE" and celebrate our children's achievements. We can't wait to see you there!

Can't attend on March 9th?

How to Get Involved

Sign your child up to ride

KTP wouldn't be nearly as special without the participation of our wonderful students! This event brings our community together to CELEBRATE the amazing accomplishments of your child. We welcome you to register them to participate and ride their adaptive bike with a member of the Pattison's therapy team. Watch your student's take home folder for the permission slip, and come ready to have a good time!
