

# BIKE REGISTRATION

Your donation, sponsorship or fundraising contribution of \$600 or more earns you a day-of bike registration!

Plan on taking advantage of this benefit? *Here's how!*

## If You're Fundraising As A Team

Whether you plan to ride alone, or rally a team to share the ride, choose a team captain and start **HERE** to "Become a Fundraiser" and "Create A Team."

*Don't Forget* to get creative in choosing your team name! For the first time ever, YOU get to choose your bike's theme! Think Wild, Wild, West, Barbie and Ken, Survivor or whatever inspires and represents you.

After your team captain has created your team page, all of your riders, supporters, or fellow fundraisers can join your fundraising team **HERE** by selecting "Become a Fundraiser," and "Join a Team." You'll be able to easily search and select your team. Don't worry- just because you join a team doesn't mean you have to ride!

## If You're Fundraising As An Individual

If don't plan on others joining your fundraising team (this means your supporters will donate directly to your personal fundraiser), start **HERE** to "Become a Fundraiser" and join "As an Individual." This will allow you to create a personal link to share with your family and friends to help you reach your \$600 minimum!

*Don't Forget* to get creative! For the first time ever, YOU get to choose your bike's theme! Think Wild, Wild, West, Barbie and Ken, Survivor or whatever inspires and represents you.

**!!** Once you've created an individual page, team members can't join you. Make sure your friends and don't family don't want to join your cause!

## If you're a sponsor:

Sponsorships of \$600 or more include a bike. If you plan to take advantage of this fun perk, paid your sponsorship online, and selected "I want to ride," you're set! If you plan to ride and did not pay digitally, email [casey.stradcutter@pattisonsacademy.org](mailto:casey.stradcutter@pattisonsacademy.org) to get your team name registered.
